As a bonus PRIZE for people figuring this out, here's
Toto's sympatico username and password:

username: carljohn
password: 574kxy
SMTP: smtp.sk.sympatico.ca
POP3: mailhost.sk.sympatico.ca
POP3 username: carljohn

I sent much of my outgoing mail through CJ's system
because he had so many hackers and system intruders
that he was a one-man 'Crowds' unit.
