Subject: !!! DEATH THREAT !!!

William,

I have taken the liberty of sending a death threat to someone and forging your name and digniture to it. (No need to thank me, I just like to help out.)

I don't usually take this kind of arbitrary action (unless I'm running low on meds) but I thought drastic measures were called for when I came across evidence that your name is about to be sullied and your business endangered, due to a plot between a psychotic lunatic and an employee of yours who is an agent for a secret organization which has been responsible for inspiring and supporting
